## Purpose of Teenage Christian Camp:

Teenage Christian Camp, (TCC), is dedicated to training young people spiritually, mentally, socially, and physically in order that they might render greater service to God, church, home and country. Any boy or girl, regardless of race or religious affiliation is welcome to come. TCC is a non-profit organization under a board of directors of Christian men who believe in camp as an effective means of teaching Christ and developing spirituality in our young people. TCC utilizes the facilities of Hillbrook Christian Association, a 55 acre property located in the Karns community just outside of Knoxville, Tennessee. Teenage Christian Camp has been in continuous service since 1966.
